

WEDDING GUIDE

LOST IN THE MOMENT. FOUND IN THE PHOTO.

You deserve to feel seen, and celebrated! You amplified the little moments with love and laughter! You are a lover of life! You love fiercely, and you aren't afraid to take risks! You are courageously vulnerable because you know the best moments are undefined.

I am a safe space to be your true self!

I'm here for a good time! I love getting to meet new people and celebrate their magic!
